JIMMY CARTER

My fishing and the work of the Carter Center are two of my greatest passions. I am grateful to my friend John Moores for bringing them together in this unique auction. Proceeds will support our work to wage peace, fight disease, and build hope around the world.

For 25 years The Carter Center has impacted lives by alleviating human suffering and advancing rights in more than 65 countries. I hope you will bid generously and become a partner with John, me, and countless others who seek to help the most forgotten people on earth.

Sincerely, Jimmy Carter
